Programs Featured:

Nursing

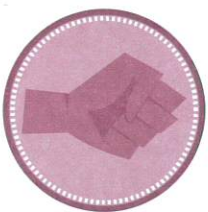

Health Information Management (HIMS)

Personal Training

MAY 29 & 30, 2019

Limited to the first 30 applicants who must be at least 16 years of age.

For more information and to register, visit northeast.edu/2019/Health-Wellness-Camp or call (402) 844-7325.

Find Your Future

At this two-day camp, girls will have the opportunity to explore careers they typically don't consider. This camp is dedicated to showing girls their potential in these high-wage, high-skill, and high-demand careers. Our camp provides activity-based learning, local industry tours and leadership activities. This camp is dedicated to empowering girls to find their future in non-traditional careers.

Your two days will be spent exploring the Pre-Professional Engineering and Welding programs with current faculty, working on hands on activities and learning how Northeast can help prepare you for a career in these areas. You will take tours and meet professionals in these careers and learn as much as you can in 2 short days!

Programs Featured:

Pre-Professional Engineering

Welding

JUNE 11 & 12, 2019

Limited to the first 20 applicants. Open to girls in grades 10-12 during Fall 2019.

For more information and to register, visit northeast.edu/2019/Find-Your-Future or call (402) 844-7118.

Ag-Citing Precision AG

It's not your grandpa's tractor any more.

Come see the amazing advances in Precision Agriculture. Learn what precision ag is and play with the tools and gadgets in precision management such as satellite imagery, auto-steer sensors, drones and other technology. Workshops touch on precision equipment used from planting to harvest. Take a tour and meet professionals as you learn about amazing careers in precision agriculture. You never know what might be flying around during our 2 day Precision Ag Camp.

This will be the best two days of your summer!
