

Guardian Angels Central Catholic Co-Vid Requirements Volleyball

Waivers:

At this time there are no required waivers to participate or spectate at our volleyball games.

NSAA Recommendations/Requirements:

It is the expectation of GACC that all NSAA volleyball recommendations and requirements will be followed by all participating teams. It is up to the teams to be aware of these recommendations and requirements and adhere to them. Teams will not switch benches during the volleyball games. We do not have enough warmup balls to give the visiting team their own set. Therefore if you do not feel comfortable sharing you need to bring your own balls and carts.

Admission:

Admission to the game is \$5 for adults and \$3 for students. Please bring exact change if possible. Masks are required to enter the facility.

Visiting teams will have room for approximately 100 fans. It is up to the visiting team's administration to monitor their fan attendance numbers. Certain areas of seating will be blocked off from fans' use. For example, the rows of seats directly behind the benches will be blocked off.

Locker Rooms:

Locker rooms are available for teams if needed. They will be sanitized before and after use.

Water:

Teams are responsible for their own water. We do have one bottle filler water fountain that is available.

Physical Distancing:

Physical distancing is highly recommended for all teams and fans. Families should sit together. Please be courteous of other fans when finding your place to sit. Please do not congregate in the entryway of the gym. All spectators need to be seated.

Teams should follow all NSAA recommendations/requirements when it comes to player and coach physical distancing.

Score Table:

There will be two score tables. The home team will occupy the main score table. The visiting team will occupy the alternate one.

Student Section (Home and Away):

Masks are required in student sections. The home student section will be located closest to the east wall to make room for more home fans.

Elementary Students:

Elementary students are the responsibility of their parents. Elementary students need to be seated with their parents and should not be running around in the entryway or downstairs.

Masks:

Masks are required when entering the facility. When fans are seated and physically distanced they may remove their masks. Fans are recommended to wear masks when physical distancing is not possible, for example, going to the concession stand or restroom.

For coaches and players, mask use is the discretion of the team.

Concessions:

Concessions will be available. Please wear a mask while visiting the concession stand. Visiting teams should visit the concession stand by walking through our old gym. There will be signs.

Hand Sanitizer:

There will be hand sanitizer dispensers positioned around the facility. There will be one on each bench, and by the concession stand.

Restrooms:

Restrooms are located in the entryway of the Activity Center. Fans from both teams will share the restrooms.

Admission:

Admission to the game is \$5 for adults and \$3 for students. Please bring exact change if possible.

Post-Game:

Fans are not allowed on the court after the game. Please exit the facility at the conclusion of the game. Teams will go to the locker rooms immediately after the game. Visiting teams need to distribute all food outside of the facility after the game. We still ask for volunteers to help clean the gym after the game. Those volunteers can remain in the facility after the game.

Respect:

Please be respectful of all site supervisors and game workers. All requirements are for the safety of our teams and fans.
