IV. Old Business

- a. None

V. New Business

- a. **Consider, discuss and take action on 2023-24 substitute teacher and bus driver pay**
 - 1. 2022-23 Substitute Teacher Pay \$120 2023-2024 Recommended \$ _____
 - 2. 2022-2023 Bus Driver Pay: Route. \$40 per trip, \$15 Activity and \$10 Sitting
Rationale: Hartington Public and East Catholic Elementary agreed to pay \$55 regular route. Hartington Public also pays \$15.25 per hour Activity trips. We recommend paying \$55 per regular route, \$45 for the morning mini route, and \$15.25 for activity trip drivers.
Recommended: Motion to set substitute teacher and bus driver wages as recommended
_____ Second by _____
- b. **Consider, discuss and take action to purchase a 2020 Yukon XL from Peitz GMC**
 - 1. **Rationale:** Vernon Sudbeck family donated money to purchase a vehicle. A vehicle was purchased last Spring, but, returned due to Archdiocese insurance requirements. We researched vehicles available at other dealers across the state and the two local dealers. Brad found this vehicle at an O'Neill Dealership. The new vehicle meets insurance requirements and is priced at \$49,500. Cedar Catholic will need to pay the cost above \$45,000.
Recommended: Motion to purchase a 2020 Yukon XL from Pietz GMC at a price of \$49,500
_____. Second by _____
- c. **Reconsider, discuss, and take action to move high school music points back to 4 points for the 2023-2024 school year.**
 - 1. **Rationale:** We made the recommended handbook change to move the points from 4 back to 5 points as it was in the past. The reason for the recommended change was an attempt to increase enrollment in band. We had a couple students move to vocal music, but no students moved to band. We need to find other options for improving student participation in high school band.
Recommended: Motion to rescind the handbook change back to 4 points for vocal & band for the 2023-2024 school year _____. Second by _____

VI. Adjournment & Closing Prayer

(Any Reports given at the meeting must be submitted to the secretary in written form.)

Board Reorganization

Process for Office Nominations:

1. Board member makes a nomination for the position (no second needed)
2. If more than one member is nominated for an office, written votes should be used and passed to the recording secretary for count.
3. If only one nomination is made, any member of the board may make a motion for nominations to cease and cast a unanimous ballot for the nominee. Motion must have a second, followed by a voice roll call vote.

Current Activities & Upcoming Events

- It will be a big weekend for the Cedar Catholic Raffle Truck to be displayed for ticket sales at the Riverboat Days festivities in Yankton. Watch for it in the parade there this Saturday, August 20. There is only one month to get tickets. The winner of the Ford F150 Platinum will be drawn out at the Homecoming game halftime on September 15, 2023.

A big thank you to the anonymous donors of the \$78,400 gift.

Thank you to the Cedar Catholic Cheerleaders and Dance Team for riding the float, to Kleinschmit Trucking/John & Jennifer for donating the services of their semi-truck trailer to haul the truck around, to Paul Vlarnik, Yankton for always letting us display the raffle truck at his downtown site. Thank you to all ticket sellers. The goal is to sell 1,600 tickets which will more than reach last year's ticket sales of 1,587 sold tickets.

The truck will be back in Hartington on Sunday morning at the Holy Trinity Fly-In Breakfast.

Get your tickets! We have a long way to go to achieve last year's ticket sales.

- The Summer Catholic Development Blue Ribbon Dinner will be held this Sunday, August 20th, at the Hartington Golf Club House with a 5:-7: p.m. social time and Hor ' doeuvre Supper buffet and a 7: p.m. meeting. All are welcome. Please RSVP to the Catholic Development Office.
- Mark your calendars for September 23 for the Holy Trinity High School/Cedar Catholic High School All-Alumni Social at the Big Hair Brewhaus, Hartington, from 4:-7: featuring a courtesy hor' d'ouerve buffet and a cash bar.
The Alumni Tailgate Breakfast will follow on Sunday, September 24, 2023, by the Holy Trinity School. It's a huge, delicious breakfast with a free-will offering for one of the biggest and best breakfasts around! The breakfast makes having an Alumni Assoc. and alumni relations possible.

Assistant Principal/Activities Director Report/August

Our athletic seasons are off to great starts. It seems our students are working hard and they are doing a great job of prepping themselves for their seasons. Parent meetings for both volleyball and football were held on 8/17. Those meetings are held to inform parents of items that will pertain to them during the season. Impact concussion tests were finalized before practices began for the high school. There are still a few 7th graders that have to take their test yet. The NSAA will present our school award at halftime of our football game against Yutan on September 8th.

The booster club kickoff is August 18th at 7:00. Jay Bellar will be the keynote speaker. All the fall athletes will take care of the set up and take down for the event. We will also open up the annex building for anyone that would like to walk through it and see the facility.

I would personally like to thank all of our coaches that have worked countless volunteer hours over the summer to prepare our athletes for their seasons. We had great attendance at all of our workouts for all our activities and that is a tribute to the dedication of our coaching staffs.

Principal's Report

Program/Staff Member Spotlight: Jeff Andrews, high school custodian, has done a great job in preparing the school building for the beginning of the 2023-2024 school year. Mr. Andrews puts in the time to make sure things get done right. This past month, there were several times when we had water issues in the building after hours and he did not hesitate to resolve these issues with little disturbance. He works well with other employees and has made me feel welcomed and accepted in my new position at Cedar Catholic. Thanks Jeff for your work.

September Board Meeting Reminder: The school board meeting scheduled for September 21st is the same date as the Dinner for Education in Omaha where JoAnne Hamilton and Rhonda Zimmerman are being honored as "Educators of the Year" by the Archdiocese. Therefore, the September board meeting is scheduled for Thursday, September 14th.

2023 Legislation: Included in this report is a list of legislation passed in 2023 that impacts Catholic Schools in Nebraska. The two bills that we received additional information are include:
Opportunity Scholarships Act: See attached information from the Archdiocese (LB753)
Textbook Loan Program: See attached information from the Archdiocese (LB674)

EOP Plan: The new emergency operations plan is not here yet. We will present it for board approval in September.

Opening Faculty Meeting: The information from the opening faculty meeting is posted on the principal's tab on the school website "Staff Meeting Agendas".

Relevant Education Bills from the 2023 Legislative Session

Bills that Passed into Law

LB153 (Extraordinary Increase in Special Education Expenditures Act): Provides a \$2.5 million fund to help public school districts in covering unexpected increases in special education expenses.

Status: Passed into law!

LB385 (Teacher Recruitment and Retention): Offers retention grants of either \$2,500 or \$5,000 to incentivize the recruitment and retention of teachers in Nebraska.

Status: Passed into law!

LB516 (School Safety Grants): Provides \$15 million in grants to fund school security projects.

Status: Passed into law!

LB583 (Special Education Reimbursements): Provides, among other things, increased reimbursements to public school districts of up to 80% of their special education expenses.

Status: Passed into law!

LB603 (Alternative Certification for Quality Teachers Act): Requires the Commissioner of Education to issue an alternative certification for applicants to teach on a full-time basis if they meet certain criteria.

Status: Passed into law!

LB632 (Suspension Prohibition): Prohibits the suspension of children in PK through 2nd grades. This bill is drafted in a confusing manner but we believe it includes our schools.

Status: Passed into law!

LB674 (Modernize Textbook Loan Program): Centralizes and expands the textbook loan program for non-public school students to ensure better access to educational resources.

Status: Passed into law!

LB705 (Lottery Funds Distribution): Originally introduced to extend funding for six education grant funds with lottery dollars through the year 2029, and was later amended to include numerous other education-related bills.

Status: Passed into law!

LB724 (Eliminate Praxis Test for Teacher Certification): Eliminates the basic skills exam to enter a teaching program at a Nebraska university or college.

Status: Passed into law!

LB753 (Opportunity Scholarships Act): Creates scholarship opportunities for low-income and other vulnerable students to attend a school of their choice through an income tax credit.

Status: Passed into law!

The Opportunity Scholarships Act (LB753)

All families deserve the opportunity to access the right education for their child. Some families have the financial means to make this possible, but many do not. LB753 will help those families in need.

The Opportunity Scholarships Act, introduced by Senator Lou Ann Linehan on behalf of Governor Jim Pillen, provides scholarship opportunities for more students to attend a school of their parent's choice. LB753 was signed into law on May 30, 2023, finally making Nebraska the 50th state in the country to pass school choice legislation.

How Does LB753 Work?

- Starting on January 1, 2024, tax credits will be available for contributions to scholarship granting organizations (SGOs). SGOs then award scholarships to eligible students. The Opportunity Scholarships Act gives priority to eligible students according to the following tiers:
 - 1st Tier:
 - Students who received a scholarship in the previous year; and
 - A sibling of a student who is receiving a scholarship, and belongs to the same household.
 - 2nd Tier:
 - Students whose household income does not exceed 100% of the federal poverty level (FPL); and
 - Students who were denied public school option enrollment, have a special education need, have experienced bullying, harassment, hazing, assault, battery, kidnapping, robbery, sexual offenses, threat or intimidation, or fighting at school, are in foster care, or have a parent or guardian actively serving in the military or was killed in the line of duty.
 - 3rd Tier:
 - Students whose household incomes is between 101% and 185% FPL.
 - 4th Tier:
 - Students whose household income is between 186% and 213% FPL.
 - 5th Tier:
 - Students whose household income exceeds 213% FPL but does not exceed 300% of the income eligibility for the federal reduced lunch program.
- The program allows \$25 million in state income tax credits to assist children with increased scholarship opportunities. Beginning in the program's fourth year, if the \$25 million cap is reached, it can grow 25% but will ultimately be capped at \$100 million in tax credits.
- The program will provide a 100% state income tax credit to incentivize taxpayers to redirect a portion of their tax liability to SGOs. The tax credits are capped at 50% of state income tax liability. The tax credits are also capped at \$100,000 for individuals and businesses and \$1 million for wills and trusts.

For any additional questions about LB753, please contact the Nebraska Catholic Conference.

Dear School Leaders,

We need your help to protect historic school choice legislation, LB753 (Opportunity Scholarships Act), by displaying information about the “Decline to Sign” effort at your upcoming back to school events.

Attempts to repeal LB753 are pervasive and statewide, and it is important for us as a Church to educate our parishioners and parents about the fundamental importance of parental choice in education, especially for low-income families and other vulnerable students.

To help with this effort, we are providing materials for a “Keep Kids First: Decline to Sign” display table for your back to school events. Here are four easy steps to utilize the display table:

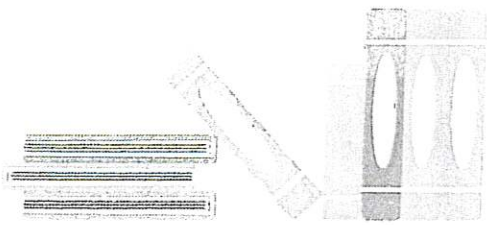

- 1) Assign your school’s “School Choice Captain,” a staff member, or volunteer to set-up *and* be present at the display table during your back to school event
 - a. If you haven’t designated “School Choice Captains” at your school, reach out to us at the NCC and we can help you get caught up on this.
- 2) Whoever is present at the table, please take some time to read the two one-pagers, included with this letter, so they can have a basic knowledge about the bill.
- 3) Set-up the display table in a prominent place where it will be visible to those who attend your back to school event. A sign-up sheet is included, please make at least 5 copies to have on hand.
- 4) It’s possible that some people would like to fill out the “Affidavit for Removal of Name” from the petition to repeal LB753. If you are able to have a notary public on hand at the event or suggest where somebody can find a notary, please do so. A “name removal” form is included in the package, which can also be copied. An electronic version is available at www.KeepKidsFirstNebraska.com/Resources.
- 5) Please contact Tom (cell: 402.615.1199; e-mail: tvenzor@necatholic.org) with any questions.

As Christians, we are called to live in the truth. This includes helping people understand the truth about important laws, like our school choice law, at a time when there is much misinformation being spread about educational opportunity. Thank you for helping us with this important objective as we Keep Kids First by “Declining to Sign” any petition to repeal LB753.

Blessings,

Tom Venzor

LB647: UPDATES TO TEXTBOOK LOAN (CONT.)

WHAT DOES LB647 DO?

LB647 makes important updates to modernize the Textbook Loan Program in three ways.

- The program becomes centralized rather than district by district.
- Nonpublic school students are allowed to access learning materials from outside of their public school district.
- Efficiencies for schools, parents, and public school districts are created. Such updates have been successfully implemented in other states that have similar programs.

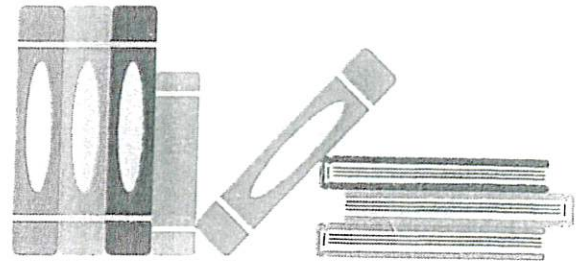

WHY ARE THE CHANGES IN LB647 IMPORTANT?

- **Centralization:** Because TLP is currently administered by the local public school districts across the state there are inconsistencies in its execution. Centralizing the process helps with uniformity.
- **Administrative Burden:** LB647 addresses many of the administrative burdens currently on public schools, nonpublic schools, and the parents attempting to access the program.
- **Practicality:** Limiting learning materials only to those used in the local public school district is arbitrary in an age of digital resources and student mobility. Some examples: Omaha Roncalli has students from 27 zip codes; Grand Island Central Catholic serves students from 7 public school districts; and Boys Town has students from all over the country.
- **Modernize:** The current program is administered completely on paper, creating an incredible burden for parents trying to access materials. As a matter of fact, many simply choose not to use the program due to the onerous and antiquated system used to administer the program. While not explicitly stated in LB647, the NDE plans to move TLP online.
- **Continual Improvement:** LB647 will provide NDE recommendations for updates to the program every five years as a way to keep up with the changing educational landscape.

WHO SUPPORTED/OPPOSED LB647?

- LB647 was supported by
 - Lutheran Schools
 - Nebraska Catholic Conference
 - Omaha Street School
 - Nebraska State Education Association (NSEA)
 - Nebraska Council of School Administrators (NCSA)
 - Nebraska Rural Community Schools Association (NRCSA)
 - ... and met no in-person opposition at its hearing.
- It was voted out of Education Committee 7-0 (Conrad, Albrecht, Murman, Linehan, Walz, Sanders, Briese) with one absent (Wayne).

LB647: UPDATES TO TEXTBOOK LOAN

WHAT IS THE TEXTBOOK LOAN PROGRAM (TLP)?

- TLP began in 1989[1] and provides the opportunity for K-12 school students in Approved and Accredited Nebraska nonpublic schools to receive loaned instructional materials (e.g., textbooks, multiple texts, electronic and digital subscriptions, write-in work texts). This means the materials are the property of the state.
- Currently the materials loaned to private school children must be the same materials used in the public school district in which the child resides or the school district in which the private school the child attends is located.
- The parents of K-12 students in Approved or Accredited nonpublic schools must apply annually to their local public school district using a paper form. This form goes to their nonpublic school who begins correspondence with the local school district. In total, the current TLP process requires multiple paper forms exchanged between parents, nonpublic school, district school, and NDE.
- At the time of its creation, learning materials were traditional paperback and hardback textbooks. Today, textbooks include digital resources, consumables, and dynamic curriculum located online. Nebraska's Rule 4 responded to this digital revolution in 2016 with updated regulatory language.

HOW IS TLP FUNDED?

- TLP funding is appropriated by the Legislature in the state's biennial budget and distributed by the State Department of Education.
- The program is currently funded at roughly \$1.5M per year, or about \$42 per student.[2]

HISTORICAL UNDERUSE:

Many parents and nonpublic schools choose not to engage in the Textbook Loan Program.

There are three reasons given by those schools:

- The program is too burdensome for their school's front offices.
- The amount of funds is not worth the effort.
- The resources and materials available are not helpful.

[1] Nebraska State Statute 79-734 established Nebraska Department of Education Rule 4, which was enacted and effective November 27, 1989.

Transportation Report

School Buses: At our last meeting, we decided to sell the two 2002 buses on our lot. One was a Holy Trinity bus that does not work and the other is a Cedar Catholic bus that will not pass inspection as it is. At the meeting I informed you that Brad Pietz had a buyer that would pay \$750 each (\$1,500 for the pair) to be scrapped out. Following the meeting, Fr. Korte suggested we put the two buses on Ryan Creamer's Consignment Auction in September to see if we can get a better offer. We will see how the auction goes???

2023-2024 Bus Routes: Attached are the bus routes for the 2023-2024 school year. There are 11.5 routes with 8 routes run by Hartington Public and 3 regular bus routes and 1 morning van route run by Cedar Catholic and East/West Catholic. See attached routes for detailed information.

Catholic Mutual...CARES

Use of 11(including driver) to 15 Passenger Vans is Prohibited!

11 (including driver) -15 passenger vans should either be replaced with a school bus or a Multifunction School Activity Bus (MFSAB). A MFSAB is a vehicle which complies with the Federal Motor Vehicle Safety Standards (FMVSS) applicable to school buses for crash survivability and mirrors.

If a MFSAB is used for the transportation of children, these vehicles must meet FMVSS 111; FMVSS 220; FMVSS 221; and FMVSS 222 (see below). When acquiring a bus or shuttle to transport adults, the four FMVSS should also be followed.

FMVSS 111 – Fulfills the safety requirement for the rear-view and cross-view visibility.

FMVSS 220 – Establishes requirements for the school bus body structure in rollover accidents.

FMVSS 221 – Regulates the strength of body panel joints in school buses.

FMVSS 222 – Establishes occupant protection requirements for school bus passenger seating and barriers.

Removal of seats from a vehicle designed to transport 11 (including driver) to 15 passenger vans to make the vehicle a 10 or less passenger vehicle is not allowed.

Mini-vans may be used to transport children or adults. A mini-van is **defined** as a passenger vehicle designed to transport no more than 8 total occupants.

While the use of 11 (including driver) to 15 passenger vans is prohibited to transport people, the vehicles can be used for cargo hauling **only** if all but the two front seats are removed.

Important Note: Vans, Buses and Shuttle Buses capable of transporting 16 plus passengers must also comply with the above FMVSS.

If you have questions on whether or not your vehicle would be in compliance, please contact the Risk Management Department at 1-800-228-6108.

Buildings and Grounds Report

Water in Room 119: Last week Jeff was notified in the evening that room 119 had water coming through the wall in the south west corner. We believe the water came from the down spout which saturated the area. Jeff scraped the walls in that corner and applied new coat of compound and painted it. Still working outside to see how to keep the water away from the foundation.

Catholic Mutual Safety Inspection: We will need to respond to the identified areas and submit our plan by September 15th. See attached inspection report.

Re: 2023 Safety Inspection
Hartington, NE

Dear Father Korte:

This report is in follow-up to the safety inspection completed on August 09, 2023 at the above referenced location. The purpose was to identify opportunities for improvement with regards to workplace safety, property and general liability risks.

Attached, please find a list of observations and recommendations based on conditions present at the time of my visit. Please indicate the action TAKEN or PLANNED in the space provided and return within 30 days to Catholic Mutual Group, 10843 Old Mill Road, Omaha, NE 68154 or email to rm@catholicmutual.org. Please don't hesitate to contact me if you have any questions or need additional information.

Respectfully yours,

Brian Durow

Report Summary

Report Name: 2023 Safety Inspection
Completed for: Cedar Catholic High School
Inspection Date: August 09, 2023
Location Descr.: Hartington, NE
Contact: Father Owen Korte, Pastor
LP #: 1-104

Scope of Work: An inspection was completed for the following buildings:
High School
Werner Activity Center
Athletic Practice Annex

Findings:

Attention Needed

Issue Identified As a reminder, the use of 11-15 passenger vehicles must meet certain Federal Motor Vehicle Safety Standards (FMVSS) if used for the transportation of children or adults.

Recommendation *Please see information attached regarding use of these vehicles.*

Corrective Action Taken/Planned:

Completed by: _____ Date: _____

Issue Identified As a reminder, please ensure that the location and use of Automated External Defibrillator's (AED's) is reviewed with employees and volunteers on a regular basis.

Recommendation *Providing an appropriate number of AED's is important, but just having them in place may not be enough. AED's should be located in prominent areas with signage to make them more obvious. Employees and volunteers should be reminded on a regular basis of the location of the units and it should be part of any new employee/volunteer training. An AED must be accessible for all sporting events (including practices) and it should be properly maintained in case it is ever needed. Recommend keeping a maintenance schedule to ensure batteries and pads are checked regularly and replaced when needed.*

Corrective Action Taken/Planned:

Completed by: _____ Date: _____

Insurance/Liability

Issue Identified Facility rental agreements do not include Certificate of Insurance naming the (Arch)Diocese and parish as Additional Insured

Recommendation *If parish facilities are rented or used by outside groups, please obtain Certificates of Insurance from them as part of the rental agreement to assure that individuals using your buildings carry their own insurance to protect you from risk of loss if an accident occurs as a result of their negligence. It is important to ensure this Certificate name both the (Arch)Diocese and the parish as an "additional insured".*

Corrective Action Taken/Planned:

Completed by: _____ Date: _____

Issue Identified Certificates of Insurance naming (Arch)Diocese and parish as additional insured are not obtained from contractors before doing facility repairs

Recommendation *If parish facilities are to be repaired or renovated by outside contractors, please obtain Certificates of Insurance from them as part of the agreement to assure they carry their own insurance to protect you from risk of loss if an accident occurs as a result of their negligence. It is important to ensure that this Certificate name both the (Arch)Diocese and your parish as an "Additional Insured".*

Corrective Action Taken/Planned:

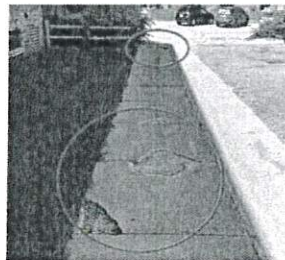

Completed by: _____ Date: _____

STF-Exterior

Issue Identified Condition of sidewalk needs to be addressed

Recommendation *Sidewalk repair/replacement is recommended.*

High School. Recommend considering replacement of damaged parking concrete to prevent possible trip and fall injuries.

High School

Corrective Action Taken/Planned:

Completed by: _____ Date: _____

Training

Issue Identified Ongoing reminder whether all staff and volunteers have reviewed online training courses as needed

Recommendation Catholic Mutual has developed several online training courses. These courses provide valuable information to assist our members in reducing accidents, injuries and claims. We recommend having appropriate staff and volunteers review them. Each course is less than 20 minutes long. Please see attached information to access and view training curriculums from CMGConnect.

Corrective Action Taken/Planned:

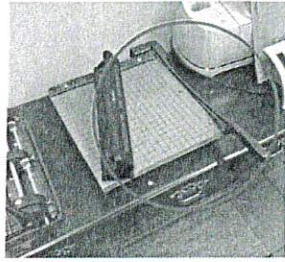

Completed by: _____ Date: _____

Miscellaneous

Issue Identified Finger guard is missing on paper cutter

Recommendation Install finger guard on paper cutter to reduce the potential of cuts from the sharp blade.

FIRE PREVENTION

Candle Safety

Each year, Church properties experience serious fires resulting from the misuse of candles. Since candles are an important symbol of the Church and are readily used in Church properties, the following guidelines must be followed to reduce the chance of fire in your facility.

1. If votive candle stands are used, noncombustible material such as tile, stone, marble, or granite should be in place beneath the candle lighting/burning area. If candle stands are positioned over carpet, a fire resistant mat or Plexiglas sheet is needed under the stands to reduce fire as well as protect the surface underneath from damage due to dropped matches or spilled candle wax.
2. Do not allow candles to be brought into church from parishioners or visitors. Only allow parish candles purchased by a reputable candle manufacturer to be displayed and lit. Many of the candles purchased at discount stores are improperly made and have been the source of numerous fires.
3. Keep candles away from combustible items such as linens, runners, or curtains. Even flowers placed too close to a flame can ignite when they become dry.
4. Keep candles and all open flames away from flammable liquids.
5. Candles should be placed in a double-insulated container or secured by a sturdy non-combustible base/holder.
6. Care must be taken in the placement of candles in relation to seating, foot traffic areas, and exits.
7. Keep candles free of foreign objects such as matches and wick clippings.
8. Ensure matches, lighting sticks and lighters are safely out of the reach of children.
9. Provide a noncombustible container filled with sand to extinguish and place matches or lighting sticks.
10. Discourage the use of candles in schools and all offices. The only exception should be for religious/prayer purposes in a classroom, but the candle must be extinguished immediately when concluded.
11. Keep wicks trimmed to one-quarter inch and extinguish them when they get to within two inches of the holder. Candles should be extinguished before the last half-inch of wax begins to melt.
12. Extinguish candles with a snuffer, avoiding burns from hot wax.
13. Let candles and holders cool sufficiently prior to moving.
14. Never leave a candle burning in an unoccupied room. The only exceptions would be for votive candles or the sanctuary lamp candle. These candles are specifically manufactured to burn until they self-extinguish.
15. Never let candles burn for more than four hours at a time. The same exceptions as above would apply.
16. The flame of a candle should not be closer than three inches to other candle flames.
17. No lit candles on live or artificial holiday greenery. Exception: Any artificial wreath (i.e. advent wreath must be fire retardant treated and candles set in protective container).
18. Ensure a 5 pound ABC dry chemical fire extinguisher is wall mounted near the location of candles.
