

The Catholic Development Office, located in the Msgr. Werner Activity Center, is in its 30th year of serving Cedar Catholic Jr.-Sr. High School and also Cedar County Catholic grade schools and parishes with financial assistance and gifts in-kind for our Catholic school budgets, special-need projects, building campaigns, school transportation, academics and classes, extracurricular activities, tuition assistance and scholarships, faculty benefits and compensation increases, growing the endowment funds, and miscellaneous gift needs. The Catholic Development program is made possible by funding from Catholic Development Blue Ribbon Committee memberships, gifts, and fundraising.
