

The Catholic Development Program & Blue Ribbon Committee

The Catholic Development Office, located in the Msgr. Werner Activity Center, is in its 29th year of serving Cedar County Catholic schools and parishes with financial assistance and gifts in-kind for our Catholic school budgets, special-need projects, building campaigns, school transportation, academics and classes, extracurricular activities, tuition assistance and scholarships, faculty benefits and compensation increases, growing the endowment funds, and miscellaneous gift needs. Over \$24 million has been gifted from July 1, 1996 to June 30, 2024 through fundraising events and monetary gifts, along with many gifts in-kind.

Catholic Development program accomplishments do not include the many acts of generosity directly to parish support and parish fundraisers.

The Catholic Development program for Cedar County Catholic Schools and Parishes is made possible by funding from Catholic Development Blue Ribbon Committee memberships, gifts, and fundraising administrative costs.

Thank you Catholic Development Blue Ribbon Committee members for your support providing the Catholic Development Office
